

Intrepid

1000s of experiences, over 100 countries

WHY INTREPID?

We've been taking travellers around the world since 1989 to find the real and remarkable. Passionate leaders don't just show off a destination, they introduce you to what makes it tick. And we've always been about giving back and running our trips in a way that respects local people and places.

SMALL GROUPS

Share the adventure with curious travellers from around the world. We keep our groups small (usually 12 to 14 people, but it varies), so there's plenty of space to connect and keep your plans flexible.

LOCALLY BASED LEADERS

Local legends don't just show off a destination, they are the heart and soul of our trips. They'll (literally) lead you, but it's their pride in showing you where they call home that really shines through. You'll be introduced to the local personalities and hear all about the stories that lie behind the sights.

REAL AND REMARKABLE EXPERIENCES

There's seeing a place, and then there's experiencing a place. Our trips combine the iconic with the unexpected – one moment you're checking out your destination's highlights, the next you're finding its hidden wonders. It might be a homestay in rural India, a cycling experience in the Italian countryside or spending time at a social enterprise in Peru's Sacred Valley. Every adventure with us brings you closer to the action.

GLOBAL OFFICE NETWORK

We operate all around the world, but our expertise is local. Through our network of offices, our experiences are operated by teams in-destination. That means you can travel with the peace of mind that our experts have been there before, and they'll be there when you need them.

GUARANTEED DEPARTURES

Once your trip is booked, you're good to go. Simple as that! There's no need to wait for other travellers to pick the same time and place. All we need for an adventure is you, giving you the confidence to book the departure that suits you best.

THE INTREPID TRAVELLER

Drawn to the action, curious about what's out there and ready to go off the beaten path, Intrepid travellers are also keen to tread carefully and engage with the world in a responsible way. They might be younger explorers on their first Family trip or the young-at-heart adding to their life experiences in their later years. Thanks to travel's power to connect people, all walks of life are welcome along for the adventure.

**Intrepid
Foundation**

Since 2002, our not-for-profit, The Intrepid Foundation, has given Intrepid travellers a chance to make a bigger impact in the places they visit. Together we've distributed more than \$18 million and supported over 160 community partners around the world.

**Certified
B Corporation**

In 2018 we joined the B Corp community to certify our commitment to using business as a force for good. It keeps us accountable on our mission to give our travellers, staff, the communities we visit and the environment the respect and care they deserve. And at the end of 2024, we recertified with a score of 102.5 – putting us among the top large B Corps globally.

STYLES

Everyone likes their travel done a little differently. Our four trip styles group our trips according to their inclusions, accommodation, transport options and more, helping you to narrow down your next adventure.

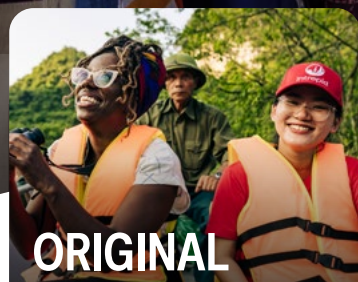

PREMIUM

Elevate your adventure with Exclusive Experiences, Feature Stays, perfectly paced itineraries and some of our most experienced leaders. Plus, some extra perks along the way.

COMFORT

Expect more private transport, a relaxed pace, a few more meals and accommodation that gives you more than just the essentials.

ORIGINAL

Our Original trips are the way to go for anyone wanting a mix of included activities and insights from a local leader, as well as plenty of free time to travel your own way.

BASIX

Basix trips keep things simple to offer the best value. We'll cover the icons and must-sees, while still giving you the flexibility to make it your own.

Physical rating

Each of our trips comes with a physical rating attached. These aren't comprehensive breakdowns – just handy little guides so you can tell, at a glance, if a trip is right for you.

1

A relaxing break, no need to do anything physically demanding (unless you want to!).

2

Some easy physical activities included in your trip, but minimal preparation is required.

3

Moderate physical activities are included and a good level of fitness is required.

4

Get ready for some serious physical activity. The more prepared you are, the more you'll enjoy it.

5

You'll be required to be seriously fit for this adventure as challenging activities are included.

THEMES

Want to learn all about the local cuisine? Or looking for a trip the whole family will enjoy? With over 18 different trip themes, you can focus on the things that make travel exciting for you.

WALKING & TREKKING

Whether it's the historic trails of the Camino de Santiago or a high-altitude trek to Everest Base Camp, there's something for every level of fitness and expertise. All you have to do is put one foot in front of the other.

FOOD

We can guarantee you'll want a second serving of these trips. Our Real Food Adventures put an emphasis on the flavours that make a place. You'll slip and slurp your way through street food, learn recipes from locals and swap stories over home-cooked meals.

FAMILY

We don't just add kids to trips – we build adventures around families big and small. Share the joy of travel through Morocco, Vietnam and beyond, and watch their faces light up with kid-friendly experiences. If adventure runs in the family, look no further.

SAILING

Endless horizons and epic sunsets await on our Sailing adventures that'll have you clipping the waves along the Amalfi or Dalmatian Coast in Europe or island hopping around Thailand. Learn the ropes with a hands-on sailing experience or sit back and enjoy the ocean view.

ASIA

Lively city centres give way to mountain monasteries. Honking mopeds get swapped with silent searches for Bengal tigers. Everywhere we go gives you the chance to taste food full of character, stay in accommodation with stories to tell and meet the people that know the place best.
